

# HYDRA HDD | SSD

Shock-resistant removable data carrier for HYDRA Recorder (MDVR)

## KEY FEATURES

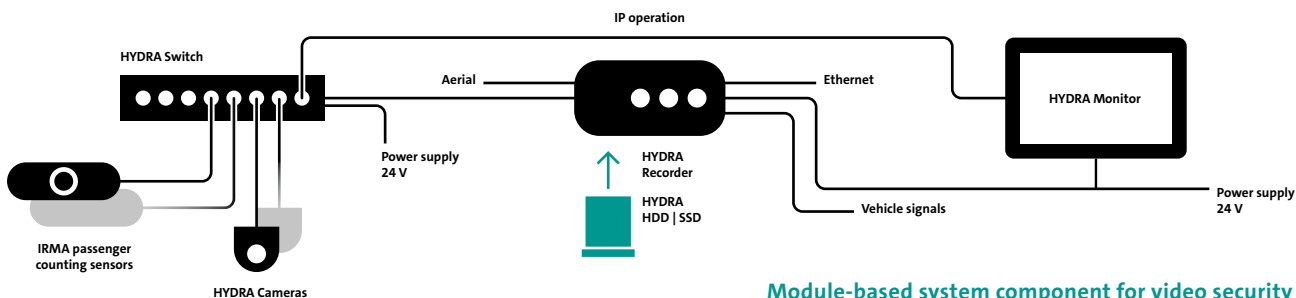

- HDD storage: 1 TB / 2 TB
- SSD storage: 1 TB / 2 TB / 4 TB
- Specially designed for mobile use
- Passive cooling and robust design
- Data is protected through multi-level security concept (HYDRA SmartLock)
- Patented electronic key (HYDRA SmartKey) with customised access rights for removing the removable storage medium
- Analysis of the removable storage medium with the HYDRA Transfer Unit (see other side for details)
- Also available for railways (galvanically insulated)

## HDD ITEM NUMBERS

- VPV300142: SM4100 1 TB HDD
- VPV300154: SM4101 1 TB HDD (rail)
- VPV300133: SM4100 2 TB HDD
- VPV300157: SM4101 2 TB HDD (rail)

## SDD ITEM NUMBERS

- VPV300183: SM4200 500GB SDD
- VPV300184: SM4200 1 TB SDD
- VPV300185: SM4200 2 TB SSD
- VPV300195: SM4200 4 TB SSD

Module-based system component for video security
